## FULL FREEWAY CLOSURE OF NORTHBOUND 110 PLANNED

**LOS ANGELES** – The California Department of Transportation (Caltrans) will close all lanes of the Harbor Freeway (I-110) from 11:59 p.m. on Thursday, April 19 to 5 a.m. on Friday, April 20 between Exposition Boulevard and Washington Boulevard.

Traffic will be detoured off the 37<sup>th</sup> Street off-ramp, continue straight on Hope Street, west on Exposition Boulevard, north on Figueroa Street, west on Adams Boulevard, and north on Hoover Boulevard to the San Bernardino Freeway (I-10) east and westbound to northbound SR-110.

The closure is to install a girder in relation to the Expresslanes project, a one-year demonstration program overseen by Caltrans, the Los Angeles County Metropolitan Transportation Authority and several other mobility partners to convert High Occupancy Vehicle (HOV, or carpool) lanes on portions of I-10 and I-110 in Los Angeles County to High Occupancy Toll lanes. The program is expected to go into operation this fall.
